

Exercises - How?

Exercises are voluntary, NOT mandatory.

The exercises have the purpose to consolidate and extend the knowledge conveyed in the lecture through practical application. This involves:

- Assignment 1 - 10 points: Modeling of processes - BPMN 2.0, Signavio
- Assignment 2 - 10 points: Translating your models into different representations - Python, Ruby, Java, NodeJS, ...
- Assignment 3 - 10 points: Verifying your models - Petri Nets, Woflan, ...
- Assignment 4 - 10 points: Executing your models in a workflow engine - Cloud Process Execution Engine
- Assignment 5 - 20 points: Implementing service-tasks as synchronous micro-services - Python, Ruby, Java, NodeJS, ...
- Assignment 6 - 20 points: Implementing user-tasks as asynchronous micro-services - Python, Ruby, Java, NodeJS, ...
- Assignment 7 - 20 points: Implementing a message-correlation mechanism

Each student that participates in the exercises will work on an INDIVIDUAL topic, which will be handed out after the first meeting (Tuesday, see below), and will span all assignments, i.e. will be the same for all assignments.

Important: The exercises will assume (advanced) programming skills and understanding of micro-service related technologies such as HTTP/HTTPS, REST, JSON, XML, ...

The exam ("Klausur") at the end of the term is mandatory, through participation in the exercise the following grade bonus can be attained:

000-050 points: no grade bonus will be awarded.
051-070 points: 0.3/0.4 grade bonus will be awarded.
071-090 points: 0.6/0.7 grade bonus will be awarded.
091-100 points: 1.0 grade bonus will be awarded.

Exercises - When?

In order to participate in the exercises you have to participate in one of the following meetings in Hochbrueck - BC2 0.01.17, Hörsaal (8102.EG.117), 13:00-15:00. **Each date shows a list with "Matrikelnummern" of people that are ALLOWED to show up IF they want to participate in the exercises.**

Anybody who does not participate on the allotted date, will not be allowed to participate in ANY exercises (as the person will not have an assigned topic).

If you are not registered in the course you can not participate. Please register for the next semester. **It is NOT POSSIBLE to participate in exercises online.**
